SCOPE/DELL Report

Society for Creation of opportunity through Proficiency in English was established by the Government of Gujarat in collaboration with Cambridge University to build English language proficiency among the youth. Our college is completely dedicated to the cause and tries to facilitate the students to have sound command over the English language. The students are given photocopy of the book *World Link: Developing English Fluency* by Cenage Learning which has been provided to the college. Our college contributes to the cause through various activities and programmes. They are discussed in the table below:

Serial No	Academic Year	Activities/Programmes
1	2013-14	I. A total of 2 students applied for SCOPE in this academic session.
2	2014-15	I. Total 42 students applied for the scope exam. While 17 students applied in October term of 2014-15, 25 students applied in the February-March term.
3	2015-16	I. A total of 36 students applied for scope in this academic session. While 17 students applied in October term, another 25 students applied in February term. While the students who applied in October term received their training from 3/08/2015 to 15/09/2015, the students of February-March term received their training from 17/02/2016 to 27/02/2016. II. The training included learning through CDs prepared by SCOPE, in addition to learning of grammar and conversational English. III. The film, Romeo and Juliet was shown to the students on 02/03/2018.
4	2016-17	I. Scope training classes were conducted from 17/02/2016 to 27/02/2016. II. Films like <i>She Stoops to Conquer</i> , <i>A Passage to India</i> , and <i>David Copperfield</i> were shown respectively on 21/09/2016, 22/09/2016 and 23/09/2016. III. Seminar with power point presentation was conducted on 24/09/2016.
5	2017-18	I. A total of 26 students registered for SCOPE in this year. They were given training on 24/01/2018. II. Classes on spoken English were conducted on 05/10/2017 and 06/10/2017. III. Training programme was organized for 7 teachers from 22/09/2017 to 28/09/2017.

The college has a central computer lab which has a total of 26 computers which are used by the staff members and students in their need. For various activities like using the CD for improving spoken English skill the computers are used. The computer lab also has a LED TV which is used for screening many films. The computer lab also provides the facility of printing and photocopying for the college works. The lab is maintained by the DELL co-ordinator Shri D. G. Solanki.
